GENERAL PROVISIONS

CONFORMITY WITH STATES STATUTES AND REGULATIONS. Any provision of this Policy which conflicts with the valid insurance laws or regulations of the state of residence of the Insured, at the time that the application for this Policy is approved for issue by the Company at its Home Office, will be deemed to be amended or deleted to the extent necessary for the provisions of this Policy to be in conformity with such conflicting laws and regulations.

CONTRACT. This Policy is a legal contract that You have entered into with us. You have paid the first premium and have submitted an application. We have relied on the statements made in the application for this Policy. These statements, in the absence of fraud, are considered representations and not warranties. A copy of such application is attached to this Policy. In return, we promise to provide the insurance coverage described in this Policy.

The entire contract consists of:

1. The basic Policy; and
2. The riders that add benefits to the basic Policy, if any; and
3. Endorsements, if any; and
4. The attached copy of your application, and any amendments or supplemental applications.

DATE OF ISSUE – EFFECTIVE DATE. The Date of Issue, which is the effective date of this Policy, is the date on which the first premium is due. The Date of Issue is also the date from which all policy years, anniversaries, and premium due dates are determined.

OWNER. The Owner of this Policy will be the Insured unless another person is designated Owner in the application for this Policy. During the Insured's lifetime, the Owner may exercise every right the Policy confers or we allow (subject to the rights of any assignee of record, and to any endorsement on this Policy limiting such rights).

BENEFICIARY. The Beneficiary as named in the application, or later changed by the Owner, will receive the Death Benefit Proceeds upon the death of the Insured. Unless the Owner has stated otherwise, in writing, to the Home Office of the Company:

1. If any Beneficiary dies before the Insured, that Beneficiary's interest will terminate.
2. If no Beneficiary survives the Insured, Proceeds will be paid to the Owner, if then living; otherwise to the estate of the Owner.

CHANGE OF OWNERSHIP OR BENEFICIARY. The Owner, or someone authorized to act for the Owner by valid court order, may change the Ownership or the Beneficiary at any time during the lifetime of the Insured, unless a previous designation provides otherwise. Applicable law may require a Beneficiary or a Successor Owner to have an insurable interest in the life of the Insured. To make a change, the Owner must send a written request to our Home Office in a form acceptable to us. The change will go into effect when we have recorded the change. However, after the change is recorded, it will be deemed effective as of the date of the written request for change. The change will be subject to any payment made, or action taken, by us before the request is recorded. The Company assumes no responsibility for the legality or sufficiency of any Beneficiary designation or ownership change.

COMMON DISASTER. If we cannot determine whether a Beneficiary or the Insured died first in a common disaster, we will assume that the Beneficiary died first, unless applicable law or an endorsement to this Policy provides otherwise.

ASSIGNING THE POLICY. During the lifetime of the Insured and while this Policy is in force, the Owner may assign this Policy as security for an obligation, subject to the written consent of any irrevocable beneficiary. We will not be bound by an assignment unless it is received in writing at our Home Office in a form acceptable to us. Two copies of the assignment must be submitted. We will retain one copy and return the other. We will not be responsible for the validity of any assignment.

NON-PARTICIPATION. This Policy will not pay dividends. It will not participate in any of our surplus or earnings.

INCONTESTABILITY. We will not contest the validity of this Policy after this Policy has been in force during the Insured's life for 2 years from the Date of issue.

If the Owner reinstates this Policy as provided by the Reinstatement provision, this Policy will be incontestable as to statements made in the reinstatement application after 2 years from the effective date of the reinstatement.

This incontestability provision does not apply to any Disability or Accidental Death Benefit.

SUICIDE. If the Insured dies as a result of suicide, within 2 years from the Date of Issue, we will limit the Death Benefit Proceeds to the premiums paid less any Indebtedness on this Policy.

AGE OR SEX INCORRECTLY STATED. If the Insured's age or sex has been incorrectly stated in the application, we will adjust the Death Benefit Proceeds. The Proceeds payable will be that which the premium would have purchased at the Date of Issue for the correct age and sex. By age we mean age last birthday as of the Date of Issue.

PAYMENTS. All payments of benefits under this Policy will be made from our Home Office.

WHEN THIS POLICY TERMINATES. This Policy will terminate if:

1. The Owner requests that this Policy be terminated; or
2. The Insured dies; or
3. The Policy matures; or
4. The premium is in default at the end of the grace period, except as otherwise provided in the Guaranteed Values provisions. The date of default will be the due date of the premium in default.

REINSTATEMENT. This Policy may be reinstated at any time within 5 years after default unless this Policy was surrendered for cash, if the following requirements are met:

1. Evidence of insurability, satisfactory to the Company, must be furnished; and
2. All past due premiums with compound interest at the reinstatement interest rate of 6% a year must be paid; and
3. Any Indebtedness with interest at the annual policy loan interest rate of 7.4% payable in advance, from the date of default to the date of reinstatement, must be paid or reinstated.

The effective date of reinstatement will be the date we approve the application for reinstatement.

If a rider is attached to this Policy, its coverage will be reinstated according to the Reinstatement provision of this Policy, unless such provision conflicts with the express provision of the rider.

CHANGING THE TERMS OF THE POLICY. Any change in the Policy must be approved in writing at our Home Office by one of our officers. Any approved change will be endorsed on the Policy. No agent has the authority to make any changes or waive any of the terms of the Policy.

PREMIUMS

PAYMENT OF PREMIUMS. Premiums are payable for the number of years shown on Page 3 or until the Insured's earlier death. Premiums are payable in advance at our Home Office. A premium receipt signed by an Officer of the Company will be furnished upon request. Premiums may be paid annually, semi-annually, quarterly or monthly.

The Owner may change the frequency of payment provided a premium payment will become due on each policy anniversary. A premium paid by check will be considered paid only after the bank has credited our account with collected funds.

GRACE PERIOD. The grace period is a period of 31 days following the due date of each premium after the first. The Owner may pay the premium at any time during the grace period without interest. During the grace period, the Policy will remain in force, but the premium will be in default. The date of default is the date the unpaid premium is due. If the premium is not paid by the end of the grace period, this Policy will terminate, as of the date of default, except as provided in the Guaranteed Values provisions. If death occurs during the grace period, the premium for the policy month in which death occurred will be deducted from the Death Benefit Proceeds.

PROCEEDS

Proceeds mean the amount payable on the Maturity Date, the surrender of this Policy or on the death of the Insured. On the Maturity Date, the Proceeds will be the Net Cash Value at that time. If the Policy is surrendered before the Maturity Date, the Proceeds will be the Net Cash Value at that time.

If the Insured dies while this Policy is in full force:

- a) The Proceeds will be determined by the policy year at the time of the Insured's death as shown on the Benefit Description Page 3 of this Policy. Under no circumstance will the Proceeds payable exceed the face amount shown on the Benefit Description Page 3.
- b) The Proceeds will be reduced by any Indebtedness and any premium due and unpaid. Proceeds will be increased by any premium paid that applies to a period beyond the end of the month in which the Insured's death occurs.

PAYMENT OF PROCEEDS. All Proceeds are payable at our Home Office. We may require the return of this Policy before approving changes or paying Proceeds. The Proceeds are subject first to any Indebtedness to us and then to the interest of any assignee of record. Payments to satisfy any assignment will be paid in a lump sum.

GUARANTEED VALUES PROVISIONS

CASH VALUE. The Owner may surrender this Policy for its Net Cash Value as defined on Page 2. If all premiums have been paid, the guaranteed cash value is as shown in the Table of Guaranteed Values on page 3A of the Policy. The Table shows values at the end of the policy years. The Cash Value is:

1. The Guaranteed Cash Value; plus
2. Any part of a premium paid for coverage beyond the policy month in which the Owner surrenders this Policy.

AUTOMATIC PREMIUM LOAN OPTION. If a premium on this Policy is not paid by cash by the end of the grace period, a policy loan will be made to pay such premium if the following conditions are met:

1. The Owner must have elected the Automatic Premium Loan Option while no premium was in default. (the election, if not made in the application for this Policy, may be made later by sending written notice to our Home Office); and
2. The Loan Value must be enough to pay the premium in default with interest to the next policy anniversary. At that point the policy will lapse.

This provision may be revoked by filing a written request with the Company.

If the Loan Value is not sufficient to cover the entire amount of any premium due, no automatic loan will be made and the premium will be in default. The Net Cash Value will then be used under Option 2 of the "Options Upon Default of Payment of Premium" provision below. If this Policy is issued in a Rated Premium Class, the Net Cash Value will be used under Option 2 of that provision. Interest on a premium loan will be charged from the premium due date. Otherwise the terms of the Policy Loan provision will apply.

OPTION UPON DEFAULT OF PAYMENT OF PREMIUM. The Owner may elect one of the following options, effective on the default in the payment of premium. Election must be made by written request to the Company at its Home Office no later than 60 days after the unpaid premium was due. If the Automatic Premium Loan or other election is not made, Option 2 of this section will be effective. If this Policy is issued in a Rated Premium Class, Option 2 will be effective.

Option 1 – Surrender this policy for the Net Cash Value. The Company may defer payment of the Net Cash Value for a period of up to 6 months from the date of request.

Option 2 – Continue this Policy as Reduced Paid-Up Insurance. The insurance will be for the amount that the Cash Value will purchase at the net single premium rates. The insurance will be payable at the same time and under the same conditions as this Policy. Benefits provided by any riders will end.

Reduced Paid-Up Insurance may be surrendered for its Cash Value as of the date of surrender. Reduced Paid-Up Insurance will have a loan value.

BASIS OF VALUES. Guaranteed values and net single premiums are based on the mortality tables and interest rate shown on Page 3A. Net single premiums are at the then attained age of the Insured. The Cash Values are calculated by the Standard Nonforfeiture Method using the mortality table and interest rate shown on Page 3A. Computations assume that premiums are paid annually and the deaths occur at the end of a policy year.

The Cash Value within a policy year is adjusted for lapse of time and premiums paid for any portion of the policy year. Within 31 days after any policy anniversary, and in the absence of a policy loan, the Cash Value will not be less than the Cash Value on such anniversary. Any additional agreement which is part of this Policy will not increase the Cash Value unless specifically provided by the agreement. All values are greater than or equal to those required by the insurance law of the State of Texas and any state in which this Policy is delivered. The detailed method of calculation of values is on file at the insurance department in the state in which this Policy is delivered.

POLICY LOAN PROVISIONS

You may take a policy loan at any time while this Policy is in force. You may borrow an amount which is equal to or less than the Policy's Loan Value. The Loan Value will be the Cash Value less:

1. Any prior outstanding loan, plus interest accrued; and
2. Interest on the amount to be borrowed to the next policy anniversary.

LOAN INTEREST. The Annual Policy Loan Interest Rate is 7.4% payable in advance. On each policy anniversary, loan interest for the next year is due in advance. Interest not paid when due will be added to the loan.

HOW YOU MAY REPAY A POLICY LOAN. You may repay all or part of a policy loan at any time, except that:

1. Repayment may be made only while this Policy is in force and prior to the death of the Insured; and
2. A partial repayment must be at least \$10.00.

Any Indebtedness will be deducted from any settlement of this Policy.

At any time your policy loan exceeds the Cash Value, this Policy will lapse. However, at least 31 days prior notice must be mailed by us to your last known address and to any assignee of record, if any.

WE CAN DELAY PAYMENT. We can delay loaning you money for up to 6 months, or the period allowed by law, whichever is less. However, we cannot delay loaning you money if the amount is to be used to pay a premium to us.

OBTAINING A LOAN. You may obtain a policy loan by written request and assignment of the Policy as sole security for the loan.

SETTLEMENT OPTIONS

ELECTION OF A SETTLEMENT OPTION. The Owner, by written request satisfactory to the Company, may elect any Settlement Option described below while the Insured is living subject to the provisions of this Policy. If an option is not elected prior to the death of the Insured, the Company will pay the Proceeds in one sum to the Beneficiary or other person lawfully entitled to receive the same, unless such person elects a settlement option.

PAYEE. The Payee is the person or persons entitled to receive payments under a Settlement Option.

AVAILABILITY OF OPTIONS. The Company may pay the then balance of the Proceeds in one sum if:

1. The Proceeds are less than \$5,000; or
2. The amount on deposit under Option 1 or 2 below becomes less than \$2,000; or
3. Periodic payments are, or become, less than \$100; or
4. The Payee is not the person first entitled to payment; or
5. The Payee is an assignee, estate, trustee, partnership, corporation or association.

EFFECTIVE DATE OF SETTLEMENT OPTION. If an election has previously been made, the effective date will be the date of death or surrender. If no election is in effect when the Proceeds become payable in one lump sum, the date of election will be the effective date. The first installment, under Options 3, 4, 5, 6 below, will be paid by the Company upon receipt of Due Proof of the Death of the Insured.

BASIS OF PAYMENT OPTIONS. The annual guaranteed interest rate used for each option shown in the Option Tables is 3.0%. An interest rate in excess of the guaranteed rate may be used at the discretion of the Company. The mortality table used for Options 5 and 6 is the Annuity 2000 Mortality Table.

LIFE INCOME AND AGE. When Proceeds are payable to the Owner as a result of a cash surrender or maturity of the Policy, and the Owner selects a settlement option providing for periodic payments, the continuance of the periodic payments will be based on the life of the Insured. The amount of the periodic payments will be based upon the attained age of the Insured at the time of surrender or maturity. Upon the death of the Insured the life income payable to the Beneficiary will be based on the life and age of that Beneficiary. Age in each instance is the age on the last birthday before the date the first installment is payable. The Company may require evidence of age or of survival.

OPTION 1 – DEPOSIT - Left on deposit with interest to accumulate. Interest is compounded annually. Proceeds and all accumulated interest are payable at the end of a period mutually agreed upon.

OPTION 2 – INTEREST INCOME - Left on deposit, with interest payable periodically. Proceeds and any accrued but unpaid interest are payable at the end of a period mutually agreed upon.

OPTION 3 – INSTALLMENTS OF SPECIFIED AMOUNT - Paid as an income of a specified amount mutually agreed upon, until the Proceeds and interest are exhausted.

OPTION 4 – INSTALLMENTS OF SPECIFIED PERIOD - Paid as an income for a specified period mutually agreed upon.

Option 5 – LIFE INCOME WITH GUARANTEED PERIOD - Paid as an income for life. Payments are guaranteed for 120 months.

OPTION 6 – LIFE INCOME WITHOUT GUARANTEED PERIOD - Paid as an income for life. Payments cease with the last payment due prior to death of the person on whose life the income is based.

DEATH OF PAYEE. After the death of the Payee any amounts remaining under Options 1, 2, 3, or 4 or any amounts remaining under the period certain under Option 5 will be continued to the estate of the Payee or paid in a single commuted sum to the estate of the Payee.

PROTECTION AGAINST CREDITOR. To the extent permitted by law, Death Benefit Proceeds paid under these options will not be subject to the claims of creditors nor to legal process.

IA AMERICAN LIFE INSURANCE COMPANY has issued this supplemental agreement (the "Agreement") as a part of the policy (the "Policy") to which it is attached. The provisions of the Policy apply to this Agreement except where such provisions conflict with the express provisions hereof, in which event the provisions of the Agreement will control. Terms defined in the Policy which are used herein shall have the meaning specified in the Policy. The term "Insured", as used herein means the person who is insured under the policy to which this Agreement is attached.

THE COMPANY WILL PAY the amount of Children's Insurance shown on page 3 of the Policy upon receipt of due proof that the death of a Covered Child occurred: (a) while this Agreement is in force; and (b) prior to the policy anniversary nearest the child's 21st birthday.

COVERED CHILD means a grandchild, step grandchild, or legally adopted grandchild of the Insured, who is 180 or more days old, but has not reached the policy anniversary nearest that child's 21st birthday. Such child must be named in the application for this Agreement and not have reached his or her 16th birthday on the date of such application.

EXPIRATION OF COVERAGE FOR A COVERED CHILD occurs when a Covered Child reaches the policy anniversary nearest such child's 21st birthday.

BENEFICIARIES. The Beneficiary as named in the application or later changed by the Owner of the Policy, will receive the amount payable upon the death of the Covered Child. The Company will require a Beneficiary to have an insurable interest in the life of the Covered Child. If the named Beneficiary is not living at the time of death of the Covered Child, the benefit will be paid to the child's then legal guardian; otherwise to the estate of the child.

CHANGE OF BENEFICIARY. The Owner of the Policy, of someone authorized to act for the Owner by valid court order, may change the Beneficiary at any time during the lifetime of a Covered Child, unless a previous designation provides otherwise. The Company will require a Beneficiary to have an insurable interest in the life of the Covered Child. To make a change, the Owner must send a written request to our Home Office in a form acceptable to us. The change will go into effect when we have recorded the change. However, after the change is

recorded, it will be deemed effective as of the date of the written request for change. The change will be subject to any payment made, or action taken, by us before the request is recorded. The Company assumes no responsibility for the legality or sufficiency of any Beneficiary designation.

NO PREMIUMS AFTER DEATH OF INSURED. On the death of the Insured, except as provided in the Suicide paragraph, any insurance under this Agreement on the life of a Covered Child will continue in force, without further payment of premiums, to the earlier of: (a) the Termination Date of the Agreement; or (b) the policy anniversary nearest such child's 21st birthday.

CONVERSION OF INSURANCE ON COVERED CHILDREN. If the insurance on a Covered Child expires while this Agreement is in force, such insurance may be converted, without evidence of insurability, subject to the following:

1. Proper written application for the converted policy must be made to the Company at its Home Office. Such application must be received by the Company no later than the date when insurance under this Agreement would expire; however, in the event of the Insured's death, such application must be made within 31 days after such death. The date of issue of the converted policy will be the date when the insurance of a Covered Child would expire;
2. The converted policy shall become binding upon the Company only upon payment of the first premium for such policy. The Company must receive the first the premium: (a) no later than 31 days after the date when insurance of a Covered Child would expire; and (b) while the person to be insured under such policy is living;
3. The converted policy will be for an amount up to five times the amount of insurance under this Agreement on such child;
4. The converted policy will be on any plan of Life or Endowment insurance then issued by the Company, except Term Insurance. The policy will be subject to the Company's rules regarding minimum policy amounts. Conversion may not be made for an amount or plan of insurance prohibited by law. Premium rates for the converted policy will be based

on: (a) the then attained age of such child; and (b) the same mortality classification as this Agreement; and

5. The converted policy shall not provide for Accidental Death or Waiver of Premium Disability Benefits unless such benefits are: (a) agreed to by the Company; and (b) subject to the requirements the Company may make at the time of conversion.

If death of a Covered Child occurs within 31 days after the insurance upon the life of such child expires but prior to the application for conversion, the Company will pay a death benefit equal to the amount of insurance expiring on the life of such person. Such benefit will be paid as if the insurance had not expired.

THE ADDITIONAL BENEFIT that this Agreement provides shall not be considered when policy loan and nonforfeiture values are determined. Unless expressly stated, nothing contained in this Agreement will change, waive, or extend the terms of the Policy.

REINSTATEMENT. When a premium is not paid before the end of its grace period, this Agreement can be reinstated:

1. subject to all the provisions of the Policy to which this Agreement is attached relating to reinstatement;
2. with evidence of insurability acceptable to the Company of all persons to be insured; and
3. upon concurrent reinstatement of the Policy to which this Agreement is attached.

Upon reinstatement, no benefit will be paid because of the death of any Covered Child formerly insured under this Agreement if such death occurred: (a) after the end of the grace period; and (b) prior to the date of reinstatement.

TERMINATION. Unless otherwise specified in this Agreement, this Agreement shall terminate upon the earlier of:

1. on the date the youngest Covered Child reaches the policy anniversary nearest that child's 21st birthday;
2. the maturity of the Policy;

3. upon the due date of a premium for this Agreement which is not paid before the grace period for the payment of such premium expires as provided in the Policy; or
4. when the Policy is surrendered, cancelled or otherwise terminated.

This Agreement may be terminated at any time by the Owner's written request. The Policy must be sent with the request for proper endorsement.

SUICIDE. If the Insured or a Covered Child dies by suicide within two years from the Agreement Date, the liability of the Company under this Agreement will be limited to the amount of premiums paid for this Agreement. When the laws of the state in which this Policy is delivered require less than this two year period, the period will be as stated in such laws. The coverage of all Covered Children shall terminate on the date of the suicide of the Insured.

INCONTESTABILITY. This Agreement will be incontestable after it has been in force two years from the Agreement Date. The terms and conditions of the incontestability provisions of the Policy shall apply to this Agreement in that such provisions also relate to any insured Covered Child.

CONSIDERATION. This Agreement is issued in consideration of: (a) the application, a copy of which is attached to the Policy; and (b) payment of the premium for this Agreement shown on page 3 of the Policy. Such premium is payable: (a) until the Agreement is terminated; or (b) for the period stated in the Policy, if such period is shorter. If a premium is paid after coverage under this Agreement has ceased, the Company's acceptance of the premium shall not be deemed a waiver of the termination of coverage. The Company will refund such premiums.

The effective date of this Agreement (the "Agreement Date") is the Date of Issue of the Policy, unless a different date is shown below.

SIGNED at the Home Office of the Company as of the Agreement Date.

TERMINAL ILLNESS ACCELERATED BENEFIT RIDER

NOTE: PAYMENT OF AN ACCELERATED BENEFIT MAY BE TAXABLE. YOU SHOULD SEEK THE ASSISTANCE OF YOUR PERSONAL TAX ADVISOR IF YOU ARE CONSIDERING ELECTING THIS BENEFIT.

ANY MEDICAID OR OTHER GOVERNMENT ENTITLEMENT FOR WHICH YOU ARE ELIGIBLE MAY BE AFFECTED BY PAYMENTS RECEIVED UNDER THIS RIDER.

The Rider is attached to and made a part of the Policy to which it is attached. It is subject to the provisions of the Policy unless amended in this Rider.

TERMINAL ILLNESS BENEFIT

If the Insured is certified as being a Terminally Ill Individual, We will advance to You, if You so elect, up to one hundred percent (100%) of the Death Benefit of the Policy. The Benefit to be paid will be reduced by an Actuarial Adjustment Factor and an Administrative Charge of \$150. Certification must take place on or after 30 days from the Date of Issue of the Policy. We will deduct from the Benefit paid any outstanding Indebtedness, but only in proportion to the percentage of Death Benefit paid. We will also return to you a proportionate amount of any premium paid beyond the date any Benefit under this Rider is paid.

A payment under this Rider is payable only once. The Policy must be in force at the time this Benefit is applied for. Payment of this Benefit will reduce the Death Benefit proceeds by the amount of the Benefit paid under this Rider. The Cash Value, the amount available for loans, and the premium, excluding the Policy fee (if any), for the Policy will decrease in proportion to the amount of Benefit paid. Continued payment of the reduced premium is necessary for the Policy to remain in force. If the entire Death Benefit is paid, then the Policy will terminate with no further value. There is no Benefit to a non-insured Owner if the non-insured Owner is diagnosed as a Terminally Ill Individual.

Terminally Ill Individual – An Insured will be considered as being Terminally Ill Individual if the individual has been certified by a licensed physician as having an illness or physical condition that reasonably can be expected to result in death within 12 months of the date of certification. We must receive proof acceptable to Us. A written statement from the certifying physician will be required. We may require a second medical opinion by a physician of our choice at Our expense.

The Rider is effective on the Date of Issue of the Policy.

Signed at the Home Office of the Company as of the Effective Date.

ANY MEDICAID OR OTHER GOVERNMENT ENTITLEMENT FOR WHICH YOU ARE ELIGIBLE MAY BE AFFECTED BY PAYMENTS RECEIVED UNDER THIS RIDER.

The Accelerated Benefit Rider attached to your Policy allows you to receive up to 100% of the Death Benefit proceeds of the Policy when the Insured has a medical condition that reasonably can be expected to result in death within 12 months. Upon receipt of proof satisfactory to the Company of the Insured's reduced life expectancy and written consent of any assignee or irrevocable beneficiary we will pay an Accelerated Benefit. It will be paid in a lump sum. It is payable only once.

The Benefit to be paid will be reduced by an Actuarial Adjustment Factor and an Administrative Charge of \$150. LIMITATIONS AND EXCLUSIONS UNDER THE ARKANSAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of this state who purchase life insurance, annuities or health and accident insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association"). The purpose of the Guaranty Association is to assure that policy and contract owners will be protected, within certain limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of policy owners who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by the member insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting insurance companies that are well managed and financially stable.

DISCLAIMER

The Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association") may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions and require continued residency in this state. You should not rely on coverage by the Guaranty Association in purchasing an insurance policy or contract.

Coverage is NOT provided for your policy or contract or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract.

Insurance companies or their agents are required by law to provide you with this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.

1200 West Third Street
Little Rock, Arkansas 72201-1904

The state law that provides for this safety-net is called the Arkansas Life and Health Insurance Guaranty Association Act ("Act"). Below is a brief summary of the Act's coverages, exclusions and limits. This summary does not cover all provisions of the Act; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life, annuity or health insurance contract or policy, or if they are insured under a group insurance contract issued by a member insurer. The beneficiaries, payees or assignees of policy or contract owners are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons owning such policies are NOT protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy or contract was issued by a nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy or contract owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does NOT provide coverage for:

- Any policy or contract or portion thereof which is not guaranteed by the insurer or for which the owner has assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends and voting rights and experience rating credits;
- Credits given in connection with the administration of a policy by a group contract holder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contract holders, not individuals);
- Unallocated annuity contracts issued to/in connection with benefit plans protected under Federal Pension Benefit Corporation ("FPBC")(whether the FPBC is yet liable or not);
- Portions of an unallocated annuity contract not owned by a benefit plan or a government lottery (unless the owner is a resident) or issued to a collective investment trust or similar pooled fund offered by a bank or other financial institution);
- Portions of a policy or contract to the extent assessments required by law for the Guaranty Association are preempted by State or Federal law;
- Obligations that do not arise under the policy or contract, including claims based on marketing materials or side letters, riders, or other documents which do not meet filing requirements, or claims for policy misrepresentations, or extra-contractual or penalty claims;
- Contractual agreements establishing the member insurer's obligations to provide book value accounting guarantees for defined contribution benefit plan participants (by reference to a portfolio of assets owned by a non-affiliate benefit plan or its trustees).

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to cover: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$300,000 in health insurance benefits, \$300,000 in present value of annuity benefits, or \$300,000 in life insurance death benefits or net cash surrender values - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages. There is a \$1,000,000 limit with respect to any contract holder for unallocated annuity benefits, irrespective of the number of contracts held by the contract holder. These are limitations for which the Guaranty Association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer.
